

SEASON OF grace

GRACE GUEST HOUSE helps families seeking medical care in Buffalo. We believe that your ZIP code should not determine your health outcomes. We provide an affordable lodging option for families who must travel for medical care or who experience a medical emergency while visiting Western New York. Guests are offered private rooms, nourishing meals, transportation to and from medical appointments, housekeeping, and complimentary laundry facilities. Our all-inclusive program is donation-based, and guests are invited to contribute $40 per night if they are able. No one is ever turned away due to financial hardship. During the holiday season and all year long, we provide comfort and light for families facing their darkest days.

SEASON OF GRACE brings the community together to spread joy, hope, and holiday cheer!

Holiday House Lighting - *Tuesday, November 24 at 5:30 PM*: Join us as we light up the house for the holidays! The celebration kicks off with a reception inside of Grace House, before guests move to the front lawn at 6:30 PM where we'll flip the switch and illuminate the house! Families, neighbors, partners, dignitaries, and our most famous former guest - Santa - will be on hand to celebrate.

The Season - *Thanksgiving through New Year's Day*: In the weeks after the house lighting, bring your team together for special volunteer activities to help spread cheer and comfort for families at Grace House throughout the holiday season.
